1. Please read THEO's Rules and Guidelines with your student to ensure you both understand the high standards necessary for continued participation in our classes.
2. By applying to THEO, you are hiring a contract teacher for a specific class for your student. You are agreeing to pay that teacher their monthly fee by the first day of each month. A late fee of \$25 will be charged after the 10th of the month. Our teachers are homeschooling moms who wear a number of hats and serve a variety of groups. As written in **Luke 10:7b**, for the laborer is worthy of his wages, our teachers are worthy of their wages and are counting on you to honor your monthly commitment for the entire nine month school year.
3. Those checks will be made payable to the teacher but will be delivered to Terri Threadgill for administrative purposes before the 10th day of each month.
